

# FUTURE LEADERS PROGRAMME

FOR YOUNG GRADUATES READY TO LEARN, GROW AND BUILD

Every career has a beginning. Sometimes it is simply the first place that says yes. At its best, it is the place that teaches you how to think, work with people, keep your word, recover from mistakes, and earn responsibility

We are opening our second Future Leaders Programme for exceptional recent graduates who want a serious start. It is for people who are curious about the world, optimistic about the future, and ready to put in the work that growth demands.

## WHERE YOU COULD GROW

- ✓ Sales
- ✓ Marketing
- ✓ Finance
- ✓ Project Management
- ✓ Business Operations

## Does this Sound like you?

- You ask good questions and stay curious long after the easy answer has appeared.
- You notice possibilities around you, even when the situation is not perfect.
- You take initiative before everything is clear.
- You can work with people, numbers, deadlines and pressure.
- You are humble enough to learn, and steady enough to receive feedback.
- You do not wait to be pushed before you act.
- You finish what you start.
- You want your first career opportunity to shape you for something bigger.

**COME PREPARED. COME CURIOUS. COME READY TO GROW.**

**OUR BELIEF - I WILL PREPARE, AND THE OPPORTUNITY WILL FIND ME.**

## What You Can Expect

Expect to learn by doing, alongside experienced teams. You will take part in real business assignments, receive mentorship, and get honest feedback along the way.

This is not a programme for people who only want a title. It is for people who want to build substance, judgement, confidence and discipline.

## Minimum Requirements

- Recent university graduate
- Minimum Second Class Upper Division
- KCSE B+ or equivalent
- KCPE 350 marks or equivalent
- Professional qualifications or certifications will be an added advantage

*Recent Staff Appreciation Ceremony*
